A new campus? Had someone been asked this sometime ago, he would probably have replied, "You must be kidding! With the high cost of construction, it would be virtually impossible. Private colleges are struggling just to survive. The students would not accept the increased cost of tuition that would be needed and if a college should do this, it would surely be the death of the college."

But, Union had a dream and that dream was to build a new campus with all new facilities to replace the out-dated buildings of the old campus.

THE NEXT OF DESIGN PHILOSOPHY

A FUTURE COMMUNITY OF SCHOLARSHIP
TO BE DEVELOPED BY ENCOURAGING
STUDENTS AND FACULTY TO ENTER INTO A
NATURALLY DEVELOPMENTAL EXPERIENCE
OF TEACHING AND LEARNING-----

THIS COMMUNITY SHOULD BE ENHANCED BY
DESIGNING A PHYSICAL ENVIRONMENT WHICH
LENS ITSELF TO A FEELING OF UNITY
AND INTIMACY-----

It took much planning for Union to finally decide on a certain concept of an educational surrounding. Many graduating seniors had been told they would be among the first to graduate from the new campus, but at graduation time found that they would not. One thing that many did not realize was that it took many years to make such a move possible.

Not only did the new campus have to be built, but the whole area had to be prepared and roads had to be built. All of this preparation had to be done before the actual building could take place.

It was not an easy process to fulfill the early dream. Not only did the buildings have to be built, but they also had to be furnished. In part, the buildings were furnished with new furniture, but still many things were brought from the old campus.

One of the major efforts was moving the 65,000 volume library — shelf by shelf. All of the moving was done with much labor and planning not only on the part of the people moving, but also on the school officials who had to see that everything was moved efficiently.

It was a major task to move the entire library

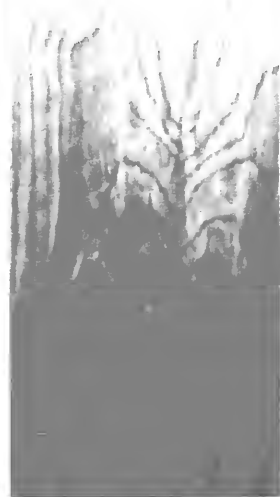

The area which is now Union was at one time nothing but fields and woods

CLASS ROOM

Finally, it was all done, and in the fall of 1975 classes began in the new academic complex — not as a new university but the same university with new surroundings.

The housing units show quite a change from the style of the old type of dormitory. Now students can share a more home-like situation by living with either three or four roommates.

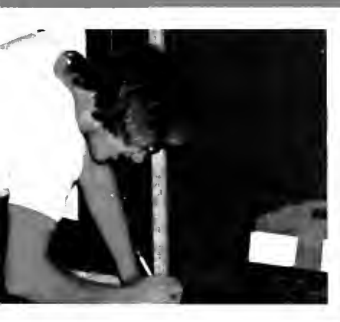

A student has a choice of living either in a unit with or without a kitchenette. Each student has a separate study bedroom and shares a living room with all of the occupants of that particular apartment. Each person can sense a better closeness than was possible before.

One major change in housing rules is that since both men and women must operate under the same rules, men now have dormitory hours. Up until this time men had open hours, but with Title IX of the Higher Education Act came equality. Needless to say, some of these rules were not taken very well by students.

For both protection and to keep people in or out, the builders and administration had walls erected to close openings.

The gym represents a place for hopeful athletes

The administrative offices, cafeteria, and the chapel have been designed to present a spacious and flexible atmosphere. This has been achieved through the use of movable partitions and plants. Colorful accent walls and graphics are used throughout the complex.

The cafeteria doubles not only as an eating location, but also as an unofficial student center. Between classes the cafeteria is used as much, if not more, than the student lounge.

The administrative area was designed with an open atmosphere

The grand opening of the college came with Gala Week in September. Union at this time recommitted itself to the statement of academic excellence within a Christian framework. As many students saw in the fall of 1975, that academic thrust is being stressed even more.

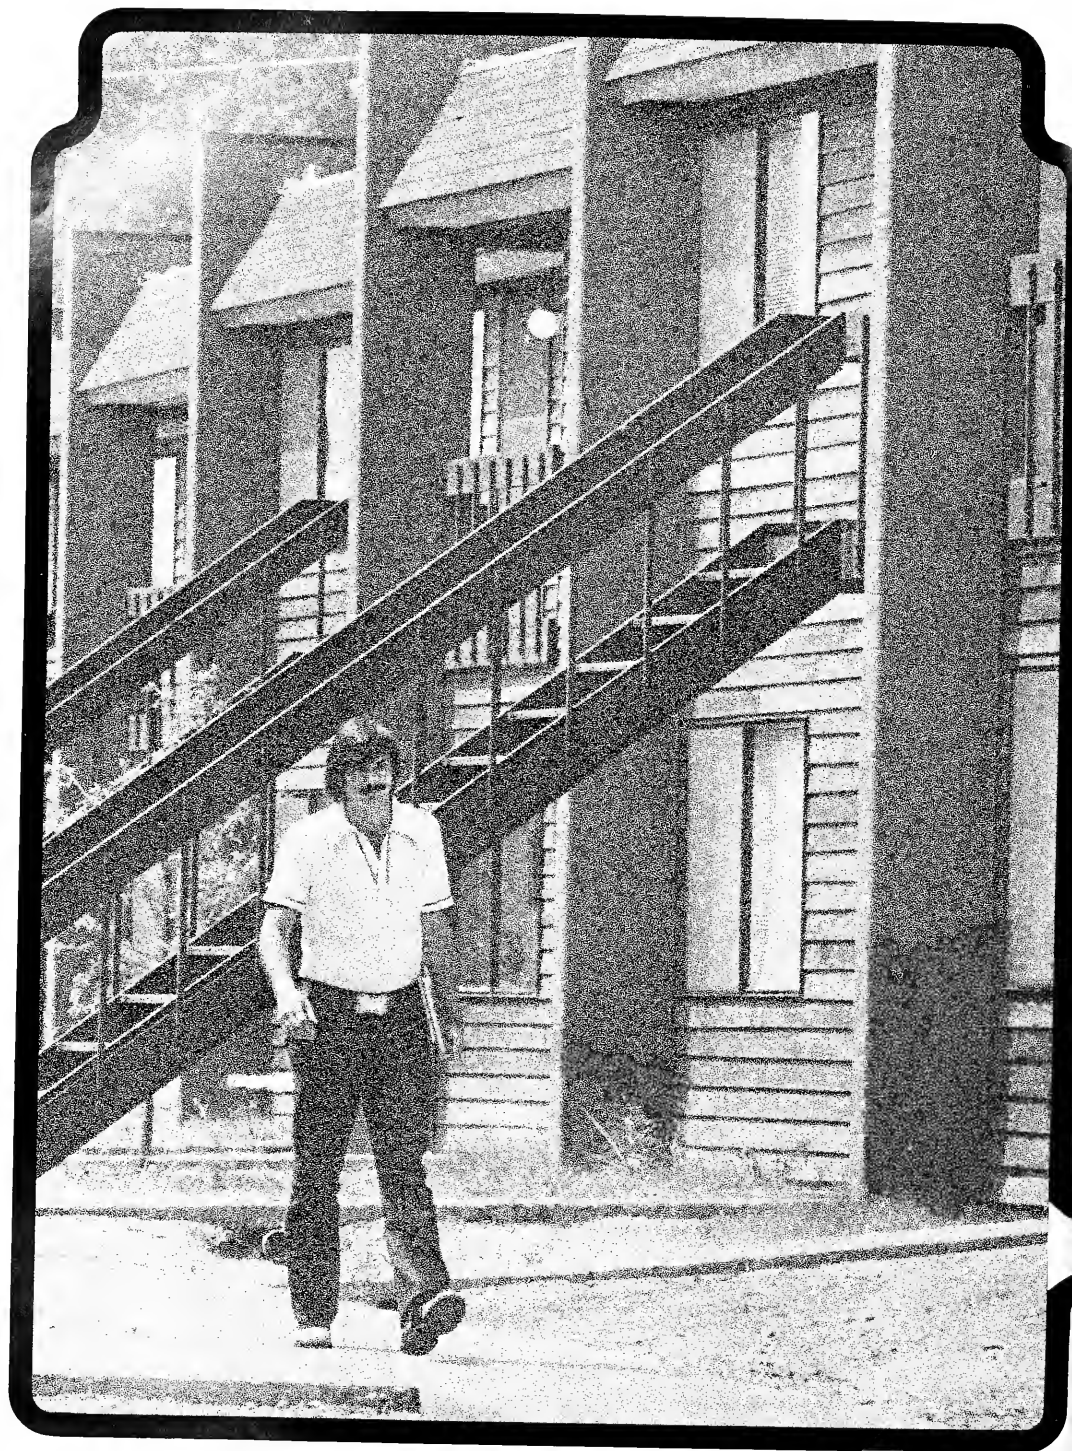

Union is definitely a college and not a high school as many thought it would become because all activities are in the same complex.

Now the time has come to enjoy the work of those involved in making the new Union. However, the work is not over because it will take the cooperation and efforts of everyone to keep what we now have.

Moving In Seems Different at Dorms

With the end of summer, the time came for people to move into the dorms. All new facilities and a new type of setting made the moving in quite different this year. Everyone, through a day of perspiration and labor, finally finished moving in and waited for classes to begin in the new complex.

Everyone has to carry his own luggage.

Boxes and boxes—until the job is finally finished.

Just a few extra things to make it more like home.

Step-by-step Through Registration

Fall semester 1975 began with the usual step-by-step processes. The new facilities greatly helped along the necessary registration procedures. The room within the corridors and classrooms led us to great hopes for the coming year at Union's new academic complex.

'Gala Week' Starts Formal Dedication

Gala Week served to formally dedicate the new campus and was the first of several programs connected with the 150th anniversary of the college as an educational institution and the 100th anniversary under Baptist sponsorship.

The special days, entitled "Gala Week," featured speakers, musical productions, award presentations, the conferring of a doctorate degree, gifts from a Japanese sister college, the naming of college facilities in honor and memory of specific individuals, dinners, tours and open house.

Four programs highlighted the week's activities emphasizing salutes to higher education, alumni, the community, and the denomination.

Dr. Landrum Bolling delivered the opening address. Dr. Bolling spoke on "The Place of the Christian College in American Education."

Dr. H. Franklin Paschall spoke on "Union—Prologue and Prospect." This program also featured Kay Gardner Bates with special music.

Also on the program was Tennessee governor Ray Blanton with special remarks about the college's advancement to a new horizon in education.

Dr. G. Wayne Brown and Dr. James Eaves received the Distinguished Service Awards. Both men were recognized for their individual contributions to the new campus development.

Dr. Robert P. Hanrahan, deputy assistant secretary for education, Department of Health, Education, and Welfare, spoke concerning educational prospectives and advances. Also during this service the president and chairman of the board of Aikoku Junior College, Tokyo, presented 100 cherry trees to Union, her sister college.

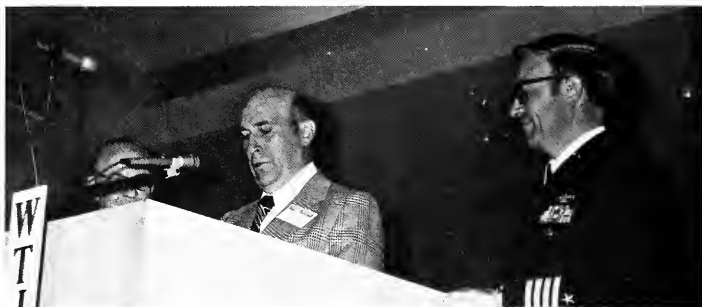

Gala Week

The climax for Gala Week came when the Southern Baptist Convention President Dr. Jaroy Weber delivered the major address followed by a special resolution of appreciation to the Tennessee Baptist Convention. During the program, Rev. Daniel Y. K. Cheung received the honorary Doctor of Divinity degree.

The zenith of Gala Week was the appreciation and dedication ceremonies honoring Union University.

Religion Stressed During Revival Week

The Spirit of the Lord moved the student body of Union in its Religious Emphasis Week last fall.

Inspired by the sermons of Rev. John May, pastor of the Broadmoor Baptist Church in Memphis, the students experienced the fellowship that only life through Christ can bring.

Services held in the George M. Savage chapel were accented by the Union University Chorus and choirs from First Baptist Church, Humboldt, and Ardmore Baptist Church under the direction of George McFadden, Minister of Music at the Ardmore Baptist Church in Memphis.

Students Find Time And Places to Meet

To many Union students accustomed to the Lexington Inn and the Student Union Building as meeting places, the new campus offered a challenge as to where to meet. We were used to solving the world's problems over coffee at the Inn. Some found the snack bar a substitute, others the Student Lounge, the library, or the cafeteria.

Several ATO's find the cafeteria suitable.

Last Class Leaves the Scene of Old Campus

The climax of 150 years of educational history was seen on the West Campus of Union University Saturday, May 31, 1975 when 209 became the last class to graduate from the East Jackson location.

Fourteen individuals were awarded honors and three students won special recognition. Pam Jackson received the Highest Academic Achievement Award as the spring graduate with the highest average. Jimmy Cagle received the Elizabeth Tigrett Medal. The Union University Honor Award went to Jean Ann Lauderdale McBride.

Honorary degrees given were: Doctor of Divinity degrees to Reverend J. Victor Brown and Reverend F. M. Dowell. Dr. Russell R. Tuck received the honorary Doctor of Humanities degree.

Dr. Felix Robb delivered the commencement address. Dr. Robb urged the graduating students to build upon their education and pave the way for loyalty to the college.

Dr. F. M. Dowell receives his Doctor of Divinity.

The Baccalaureate services were held Saturday morning at West Jackson Baptist Church with Dr. Grady Cothen presenting the address to the graduates. He encouraged the graduates "to give your idealism a foundation in God" and the world will benefit greatly from your education and training.

With the conclusion of the graduation ceremony, the senior class presented the school \$500 to furnish a directory for the new campus and to place a sign in the gym indicating that the athletic facilities are nicknamed "Bulldog Country."

1976 Miss Union University Pageant

Serving as emcee for the 1976 Miss Union University Pageant was Wink Martindale. Mr. Martindale, a native Jacksonian, has gained prominence with his radio program and television game shows, from Hollywood.

The panel of judges were: Carl Perkins, Katie Forbes, Pat Brown, Irwin Vann, and Ken Brixley.

SGA President Brian Ford served as pageant chairman and was assisted by Earl Wiman and Sandra Webb in charge of finance and tickets.

Day and Night On the Campus

As everyone knows the campus during the day is very hectic and busy, but at night activities are slowed down and students find time to relax. There's nothing like a broiled hamburger at sunset, or a snowball at noon.

Taking Time Out From Studies

Taking time out from their studies, students enjoy different activities sponsored by different groups, the school, or whatever they decide to do on their own. It all showed that college is much more than books, papers, and studying. Everyone can learn to have a good time and keep up school work at the same time.

Homecoming '76

Union held the first Homecoming festivities on February 28 on the new campus this year. The program featured tours of the new facilities, an awards luncheon to recognize outstanding alumni, election of new alumni association officers, class reunions, student display competition, crowning of a Homecoming queen and two varsity basketball games.

A bonfire was held on Friday night to get the spirit up for the game which paid off in the end.

Dr. Charles N. Millican was main speaker for the luncheon. His address was "The Role of the Christian College in Higher Education—A Testimonial." Dr. Millican, a Union graduate, was also presented a special Distinguished Anniversary Award from the alumni association.

Union Celebrates 150th Birthday

Last fall in celebration of Union's 150th year as an educational institution, a pageant was held in honor of this special occasion. Made up of various scenes through the years, the pageant had special music composed by Mr. Charles Huffman. Dr. Pat Pinson was coordinator of the whole affair presented for three nights in late November.

The Year of the Bicentennial

1976—a year of celebration in honor of America's 200th birthday. During the course of the year we will have many different opportunities to participate in the celebration. Commemorative concerts, plays, exhibits, and parades have been scheduled for different areas of the country.

One negative aspect of the bicentennial has been the over-commercialization by companies anxious to "cash" in on the importance of the year, thereby making it "Buy" Centennial. We, the consumers, have been exposed to a variety of objects on the market to purchase as a souvenir ranging from miniature liberty bells to candles to flags. The American Bicentennial Commission has put its official stamp of approval on a number of items, therefore making them saleable.

Union organized, a bicentennial committee plan projects to earn our designation as a Bicentennial College by the national organization. Included in the plans were special musical concerts, a published history of the college, Arts and Crafts Fair and a memorial garden.

Spring Play is 'Death Takes A Holiday'

The Union University Theatre presented **Death Takes a Holiday** in the spring of 1976. The play was said to have been a hauntingly beautiful play based on the poetic idea of Death suspending all activities for three days. During this time, Death fell in love and discovered why mortals feared him.

The cast included: Elaine Owen, Cheryl Granger, Dawna Joseph, Mary Walker, Susie Jennings, Larry Anderson, Gary Adams, Harvey Cocks, Sammy Rich, and Richard Marsh.

Mr. Andre directs the play.

World Issues: Drugs, Racism, Hunger

Even in our so-called Christian nation, the idea of equality, so often talked about in the Bible, is ignored by some people who call themselves Christians. The barriers between races continue to divide humans. One of the last major social institutions to integrate in America has been the church, which seemingly would have been one of the first.

The United Nations, in an unprecedented action, voted in session to label Zionism (the movement by modern Jews to colonize Jews in Palestine, either for religious or nationalizing purposes) as racism. The action drew criticism from various groups, including the United States Ambassador to the U.N.

The use and misuse of drugs continues to draw attention in our country. A number of states have enacted new and less severe laws dealing with private possession of small amounts of marijuana. One such state is California, where simple possession carries a small fine comparable to a speeding violation.

As pot smoking becomes more socially accepted in many areas, there is increased pressure from many organizations to decriminalize possession of the drug. Continuing are various studies seeking to confirm the health hazards involved with smoking pot.

The joint has become the highball for many.

Love comes in all colors.

The United Nations drew criticism from the United States and other countries for its vote on Zionism.

A happy John Lennon now safe in the U.S.

Ex-Beatle John Lennon finally won his lawsuit against the U.S. Immigration Service and was allowed to remain in the country. The problem arose from a drug charge in England, which American officials felt made him an undesirable.

The FBI spent a million dollars trying to capture Patty Hearst and her fellow SLA terrorists in a massive hunt which ended in a small house in San Francisco. At this time her trial has yet to begin, but doctors have ruled her competent to stand trial. The continuing story of Tania and the SLA is not over yet.

Two unsuccessful attempts were made on President Ford's life causing an increase in Secret Service protection of not only the President, but all Presidential candidates. Both Sara Moore and Squeaky Fromme are now behind prison bars.

The problem of world hunger continues to grow more alarming with thousands dying daily. Union lead an attack on this problem by raising over \$900 during a week-long drive held during the fall semester.

Greeks

Greeks Work At Projects for School and Community

The image of the Greek fraternities and sororities has undergone a tremendous change in the past few years. After the campus unrest of the '60's, it was seen that a revamping of some of the concepts had to take place. College fraternities and sororities planned programs with the college student in mind and what each could do for the community and school.

In the '70's, the Greeks became more involved in these activities. This is shown quite well at Union. Greeks play a major leadership role in the different clubs and organizations. Also, the Greeks are involved in community activities and fund-raising drives such as: March of Dimes, Sheriff's Youth Town, Lion's Club Paper Drive, working with the mentally retarded children, and raising money for the World Hunger Drive.

Lambda Chi Alpha was founded at Boston University on November 2, 1909. The merger with Theta Kappa Nu in 1939 was the largest merger in the history of the fraternity world.

After re-evaluating its educational program in the early 1970's, Lambda Chi Alpha dropped the pledge program. Lambda Chi Alpha's step forward was a first in the Greek world.

A formal banquet held the Best Western Motel — Memphis, marked the eleventh anniversary as a chartered chapter on the Union campus. Janice Weaver was named as the 1976 Crescent Girl. The recipient of the Rick White Senior Service Award was Joe Hedges.

Lambda Chi Alpha was active in community affairs during the year, such as kicking off the World Hunger Drive with a kidnap of faculty and leaders on campus. At Christmas, a party was held for the children at Sheriff's Youthtown.

Plans are now in the works for the construction of the new house on Union's new campus.

Zeta Tau Alpha was founded October 15, 1898, at Longwood College in Farmville, Virginia; Beta Omega chapter at Union on December 12, 1935. Presently, Zeta is ranked third among sororities in the National Panhellenic Conference.

The sorority's philanthropy is working with the mentally retarded. Zeta's colors are steel gray and turquoise blue, her flower is the white violet, and her open motto is "Seek the Noblest."

During the fall semester, Zeta Tau Alpha observed their Founder's Day with a dinner given by area alumnae. On Halloween, Zeta's Date Party featured a chili supper followed by a movie. At Christmas the traditional Big-Little Sister party was given by the pledges.

The Mother-Father-Daughter Luncheon, held in early spring, was highlighted by various chapter awards. Later in the year, the annual Spring Banquet was held.

Zetas were active throughout the year with several service projects including visits to Happy Hollow, Jackson's school for retarded, and participation in the World Hunger Drive.

Sigma Alpha Epsilon was founded on March 9, 1856 by a group of eight students at the University of Alabama at Tuscaloosa. Since that time, it has grown to be one of the largest fraternities in the nation.

Tennessee Eta chapter of Sigma Alpha Epsilon is the fifth oldest chapter of the fraternity, having been founded in July, 1857.

The Jackson area is the home of a large number of Sigma Alpha Epsilon alumni, many of whom are among the leading residents of the city.

Tennessee Eta's long history has reached a turning point as the fraternity prepares to build a house on the new Union campus. With the old house at 200 N. Hays sold, and new lot purchased, final preparations are being made for the move.

Sigma Alpha Epsilon's colors are purple and gold, and the lion represents the spirit of our fraternity. The violet is the favorite flower of Sigma Alpha Epsilon.

The founding of **Chi Omega** was April 5, 1895, at the University of Arkansas. Chi Omega was founded for the purpose of becoming a national college fraternity for women. A "fraternity" is an organization whose members have banded together for reasons of common interest and mutual benefit.

The Upsilon chapter of Chi Omega here at Union started the year off by being active in all areas of campus life. This year has been filled with athletic and faculty receptions, as well as date parties. Chi Omega also has participated actively in the World Hunger drive, and is sponsoring a Brownie Troop.

Upsilon chapter is looking forward to the future with high expectations and achievements.

The **Alpha Tau Omega** Fraternity was founded at Richmond, Virginia in 1865; it was the first national fraternity founded after the Civil War.

Alpha Tau Omega is more than an institution. It is a brotherhood dedicated to the betterment of its members. The original three founders of the fraternity set goals to bind men together in a brotherhood based on truth and to teach them to stand together for the supremacy of good over evil.

These have become the goals of each member of ATO. The brothers of the Beta Tau chapter are confident that these goals will continue to be achieved on the new campus at Union. The men of Alpha Tau Omega stand proud of their traditions and heritage and the future.

Members, left to right: Tommy Buckingham, Brad Simmons, Rodney Lanham, Phil Rowlett, Ron Johnson, Ricky Clark, Lee Benson.

Panhellenic and IFC Guide Campus Greeks

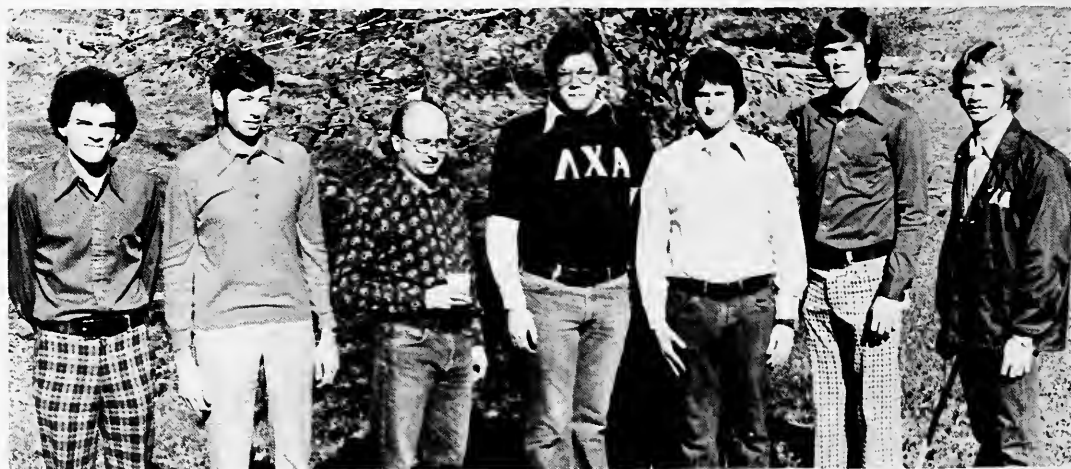

The National Panhellenic Conference is an organization of the twenty-six national college sororities who are banded together for the furtherance of sorority life, scholarship and intellectual accomplishment.

At Union, the **Panhellenic Council** deals with intersorority relations and cooperates with the college to maintain the social standards of the school. The council is composed of three delegates each from Zeta Tau Alpha and Chi Omega, as well as an alumna from each sorority.

The **Inter-fraternity Council** is the governing body for the fraternities on campus. Regulations for formal rush and membership recruitment are composed and enforced by the IFC.

Students Help to Bring Changes

Acting as a liaison between students, faculty, and administration, the **Student Government Association** worked to make Union a more complete college community. Through its channels, students make known their opinions, select officers to represent them, and lay ground work for future citizenship.

During the course of the year the SGA set up committees to look at the different functions of the school. Some of these included: campus improvement, evaluation of the chapel program, evaluation of the dorm rules, and a communication committee.

SGA Officers: Linda Thomas, secretary, Teresa Reves, treasurer, Nina Lee Braden, vice president, Brian Ford, president.

BSU Has Fellowship

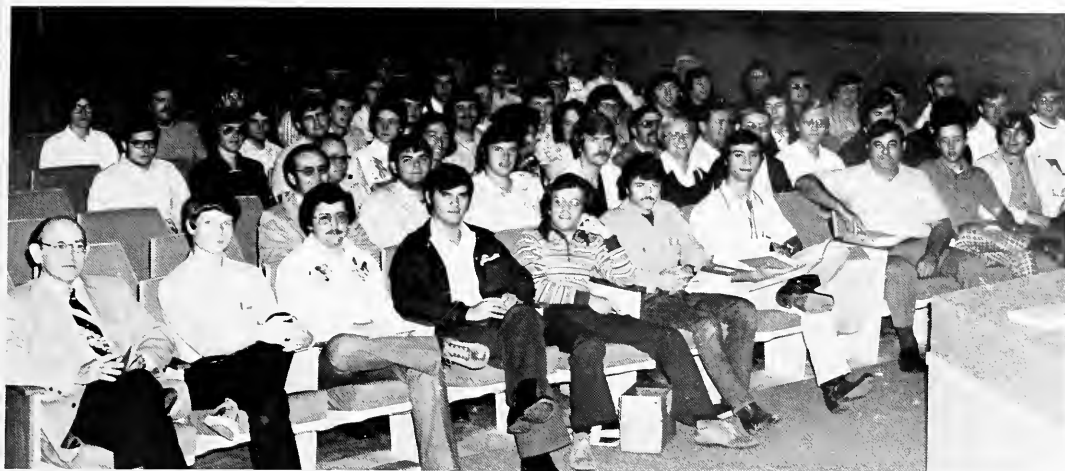

The **Baptist Student Union** carries out a variety of different campus ministries, including Vespers, held twice a week in the Savage Chapel.

One of the activities the BSU participates in is an annual campus retreat. Following the theme of the fall semester of using campus resources, professors from the colleges were the group leaders.

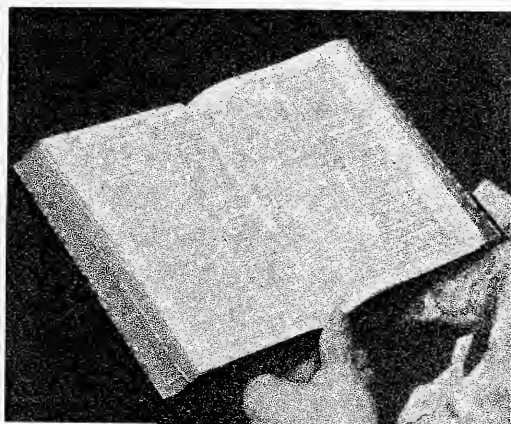

The BSU is led by president Randy Cuttrell and vice president Artie Rivers.

BSU members participate in tug of war during retreat.

The **Ministerial Association** in one of its meetings featured different speakers and guests.

MA's and BYW's Serve Mankind

Providing a close communication for the man studying the art of preaching is Union's Ministerial Association. As an active group with weekly meetings, these men help strive for a close student-minister relationship.

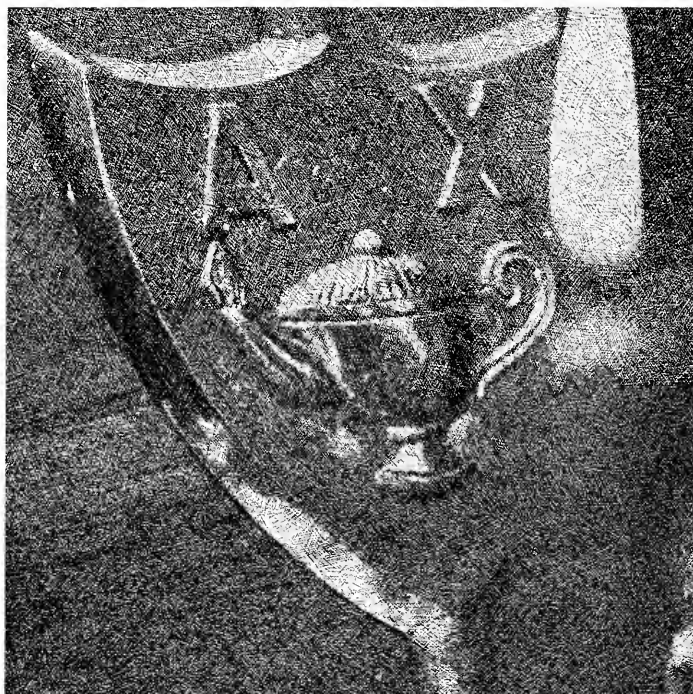

Composed of young women whose major purpose is concerned with Christian service to their fellowman, the Baptist Young Women stay busy with different projects.

Sociology Club Studies Human Society

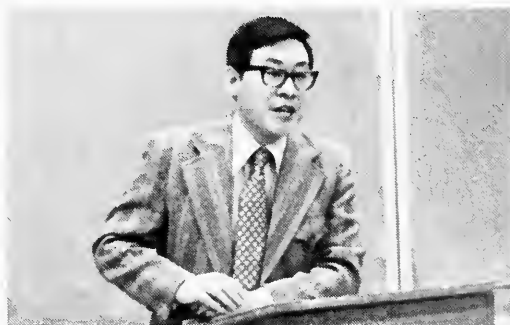

Sociology is one of the most promising and expanding of contemporary disciplines. It endeavors to scientifically examine human interaction and provide practical opportunities for more effective functioning of society.

By majoring or minoring in Sociology, students prepare themselves for more effective contributions to society no matter what their profession may be involving in the science of human interaction.

The **Sociology Club** is open to all majors and minors in this discipline. A number of professionals have lectured at the meetings on problems and trends in today's society.

Students Preparing To Teach

The **Student Tennessee Education Association** endeavors to prepare member students for the teaching profession. The organization helps familiarize future teachers with problems and challenges in education. Classroom situations are emphasized with an eye on the future, and contemporary concepts in education are brought to the forefront.

Dr. William Hedspeth serves as the advisor for the STEA.

Language Clubs Study Customs, Geography

To provide a better understanding of the country and culture of the languages being studied, the Language Clubs strive to do this in their different meetings. Each usually has a guest speaker or film on the country being studied.

To show this idea further, each club has adopted a new name: Le Circle Français and El Círculo Hispánico.

French Club: First row: D'Anna Bingeman, Gary Cole, Nyra Campbell. Second row: Debbie Webb, Mrs. Beverly Hearn, Melanie Taylor, Richard Marsh, Steve Boyd, Johnny Walker, Diann Wylie, Pam

Nurses Learn New Facets of Training

The **Lamplighters** can be described as the organization of nursing students and nursing majors which provides outside interest. Participation in the cerebral palsy telethon is one of the highlights each year.

To further education in nursing, program meetings are held with different speakers and topics.

President Amy Parker tells that "being in **Lamplighters** has given me more of an insight as to how nursing involves more than just being at the hospitals. It is an activity, outside of our studies, for us as nursing students to participate in."

Lamplighters listen intently to one of their speakers.

Mr. Morris Lynch speaks to the **Lamplighters** about a subject many people try to avoid—death and dying.

Drama Groups Stage Two Major Plays

Union's drama department has two organizations that offer students interested in the theatre an opportunity to apply those interests.

Footlights is the group which sponsors all plays. This season's productions included: **Blithe Spirit** and **Death Takes a Holiday**. Not all of the members of **Footlights** are actors, but the organization includes stage managers, make-up artists, and set designers, all of the various jobs necessary to make a play successful.

Alpha Psi Omega is a national honorary dramatic fraternity. Membership is based on attainment of skills in the field of dramatics.

BASEBALL

Bulldogs Experience Rebuilding Year

The Baseball Bulldogs could be summarized with one word—"Youth."

The Bulldogs played with thirteen freshmen, six juniors, three sophomores and only one senior. Add a rugged 52 game schedule to that, and you can have trouble.

The trouble came in the form of a 12-22 win-loss record.

Before leaving on the annual spring trip, the Bulldogs dropped a 5-3 loss to Ole Miss. The Dogs led until the seventh, when two errors allowed the Rebels to rush ahead.

The spring trip took on the look of a mild disaster. With nine games scheduled for the trip, because of weather and rescheduling, only three were played. All found the Bulldogs on the short end of the score.

First row: Mark Yates, Jeff Brake, Barry Bolding, Joe White, Mark Weidameier, Billy Merkai, Gary Vaughn, Bubby Day, Tommy Sadler, Tim Sikes, Brad Simmons. **Second row:** Jackie Vaughn, Rodney

Lanham, Sam Thompson, Keith Frazier, Maurice Holmes, Randy Franks, Scott Butler, Andy Rushing, Barry White, Bill Waits, Paul Albee, Donnell Wilson.

The first two losses were to the University of Texas at Arlington, coached by former Union Mentor Butch McBroom. The third game saw undefeated Southeast Oklahoma pound the Bulldogs.

After struggling through the middle of the season, the Dogs were transformed by some sort of "midnight madness." Playing under the lights at Muse Park at the end of the season, the Bulldogs played like the Union teams of old.

Freshman pitcher Scott Butler dropped Middle Tennessee State for six innings and junior reliever Tommy Sadler finished the contest as the Dogs took a 5-3 victory.

Butler later lost a superbly pitched game against Ole Miss 2-1. He allowed the Rebels only four hits in the contest.

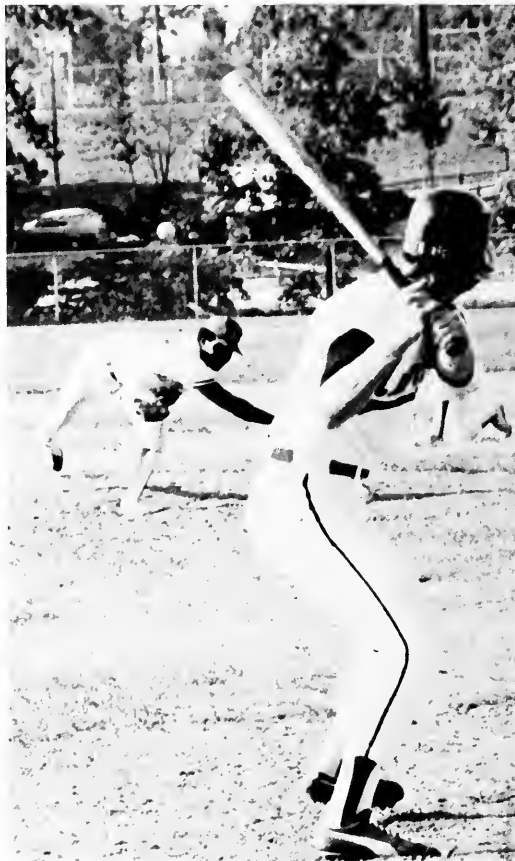

The Bulldogs picked up two more victories at Muse as Randy Franks stopped UT-Martin, 5-3, and Sadler held CBC at bay for the other victory.

Brake moves in for pickoff.

Bubby Day leads off with hit.

Bulldogs anticipate as Albea pitches.

Sam Thompson greeted by Bulldogs after hitting a home run.

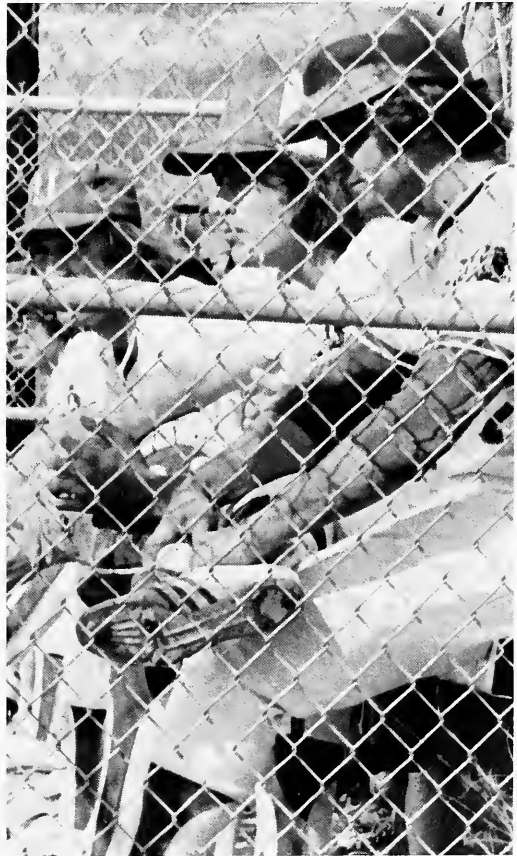

Merkle takes a rip.

Junior Captain Andy Rushing again was the mainstay to the young Bulldog squad. Rushing hit .308, for the year, and saved two Bulldog victories with super plays at the plate.

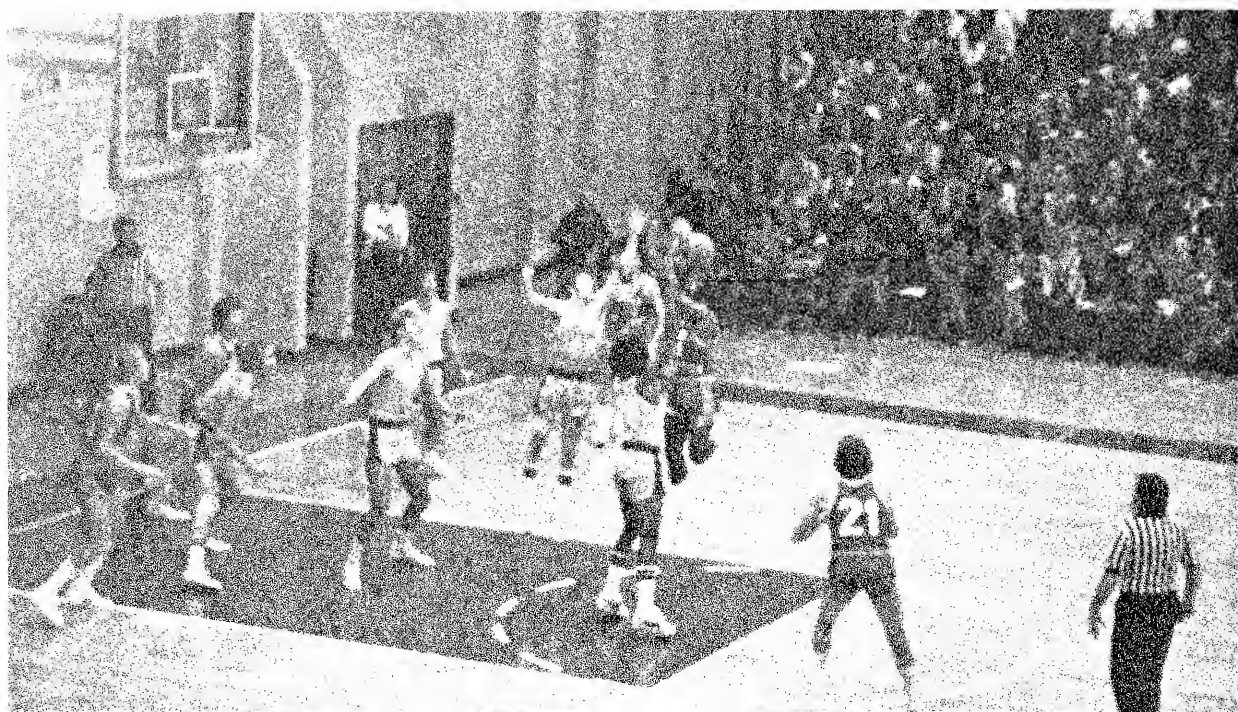

Sam Thompson and Brad Simmons also led the Dogs at the plate hitting .310 and .314 respectively.

Junior relief pitcher Tommy Sadler led in the pitching department with a 3-3 record and four saves while appearing in 25 of 33 games played. He also posted a 2.29 ERA.

With the end of the season, also came the end of an era for Bulldog baseball. No longer will the Bulldogs play their home games at Death Valley. This year all home games were played at the field on the new campus.

New Coach, New Gym, New Season Face Bulldogs

The season began with narrow victories over David Lipscomb and Southwest Missouri Baptist College.

In the opener Greg Schroeder came off the bench with 13:49 remaining in the contest to spark the Bulldogs to victory. Schroeder scored 17 of the team's last 21 points. Final score: Union 55—Lipscomb 53.

Sister college, Southwest Baptist then came to town to battle the Bulldogs. They left two points short of a victory. Before a highly spirited crowd, the Dogs fought back from a 15-point, second-half deficit to take a last minute 81-79 victory over Southwest. Clutch performances by Ed Smith, Tony Nash, and Schroeder led to the come-from-behind victory.

Men's Basketball Team: From left to right: Gary Clark, Scott Brewer, Sam Tharpe, Randy Short, Keith Reynolds, Dana Northcut, Mike Williams, Greg Schroeder, Eddie Smith, Ed Smith, Tony Nash,

Joe Pete, Don Crain, Tommy Powell, Steve Barron, Gary Vaughn, Winston Jarrett. Kneeling: Paul Shearin, manager, Jim Swope, coach.

Games Go on . . .

The Bulldogs then traveled to Pikeville, Kentucky to take part in the Pepsi Classic. Opening night saw the Dogs fall to host Pikeville to the tune of 110-82. Greg Schroeder led the scoring with 26 points. In the second night's action, the Dogs were pitted against Lander College of North Carolina. Again the Bulldogs came out on the short end of the score—116-95.

Bulldog Greg Schroeder was named to the All-Tournament squad.

Upon returning home, the Dogs got set to travel to Memphis to take on National power Lemoyne-Owen. A second-half surge by Lemoyne-Owen saw the Bulldogs come out on the short end of a 86-74 score.

The Bulldogs finally got back on the winning road in McKenzie, Tennessee, as Winston Jarrett's 20 points pushed the Dogs to victory.

In the beginning . . .

Nash applies another move.

Some Wins, Some Losses

The next two games saw an ineffective offense get the best of the Bulldogs. The first game was dropped to local rival Freed-Hardeman 70-67, and the second to the University of North Alabama 67-55.

Then it was on the road again to the Dixie Tournament at Southwestern University in Memphis. The Dogs played the host team on opening night, and again they fell in defeat. This time it was a 81-75 loss in overtime. Union took the consolation game, in the second night's action by dropping Mississippi College 81-77.

Keith Reynolds was selected to the All-Tournament team.

It was then time for the University of North Alabama again, and we fared no better this time. Final score: UNA 86—UU 59.

Bethel then came to town looking for revenge. It was revenge they got, as a Bethel player sank the winning basket with one second remaining on the clock giving the Wildcats a 59-57 victory.

The Bulldogs then hosted Christian Brothers College, and success it was as Keith Reynolds sank a basket, with three seconds remaining in overtime, to give the Dogs a 73-71 victory.

Hot shooting was the key in the next contest, and Delta State was doing the biggest part of it. The Statesmen burned the Bulldog baskets for a 63.8 per cent from the field to take a 98-88 victory.

Jarrett has determination.

Don't foul him, Keith.

C'mon Don just a little higher.

Reynolds works for points.

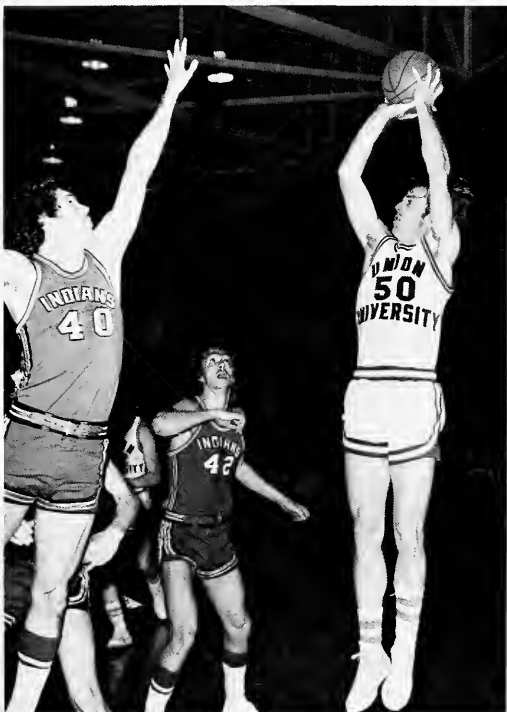

Smith shoots for two.

Don Crain disregards black and scores two.

Keith Reynolds leaps for two.

The Bulldogs pulled off their first big upset of the year against LeMoyne-Owen at home, 89-93. Tony Nash and Keith Reynolds were the big guns for the Dogs with 30 and 26 points. Gary Vaughn handed out 15 assists and 12 points in the contest.

It was then that the Lane College Dragons came calling. The Dogs managed to pull out a narrow 68-67 victory. Keith Reynolds had 24 for the night, followed by Don Crain with 18.

The Dogs then took third place in the Baker invitational Tournament at McKenzie. In the first night's action the Bulldogs fell to the Bethel Wildcats 90-72.

The second night belonged to Keith Reynolds. Reynolds pumped in 43 points to lead the team to the third place victory.

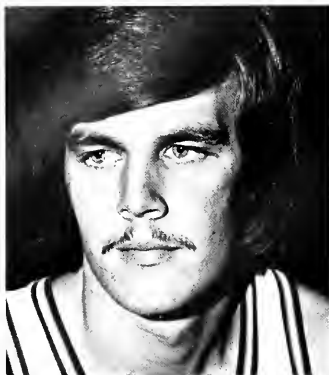

Then, it was back across town to the Lane College fieldhouse. It was almost like an instant replay of the first encounter. Final score: UU 72, Lane 71.

Two more wins and three losses set the stage for the final game of the season, Homecoming, 1976.

In a highly spirited game, the Dogs came away with a 88-72 victory. It included a brawl, which led to the ejection of two players, but more importantly it gave us a look at the spirit and team play that makes us anxious for the next season.

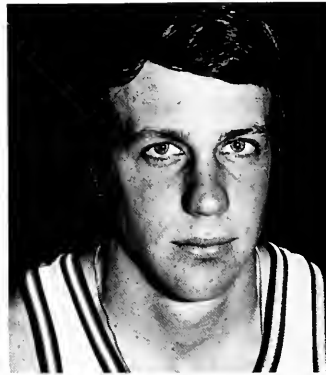

Gary Vaughn scores another two point for the Bulldogs.

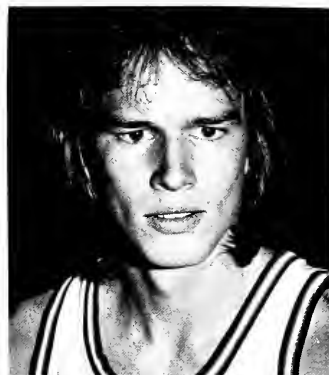

Scott Brawer, a 6' sophomore from Memphis, Tn. played guard position.

Lady Bulldogs Push For a Winning Season

The Lady Bulldogs opened their season with a tremendous 104-55 victory over Jackson Auto Salvage. Sherry Henry was high scorer with 36 points, followed by Theresa Hale with 30. Thus began a season of many wins for the Lady Bulldogs, the most important of which was a 91-72 victory over Memphis State University. This was the thriller in which the Union girls outplayed the Lady Tigers of MSU in every area of basketball. Sherry Henry was again high scorer with 30 points, while Sandra Lewis had 28.

On January 13, the Lady Bulldogs played their closest game of the season. They defeated the Lady Raiders of Middle Tennessee State University by a score of 83-76. Sherry Henry scored 24 points and grabbed 19 rebounds.

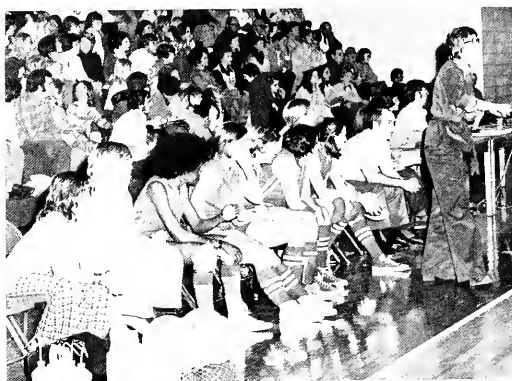

Women's Basketball Team: First row: Brenda Young, scorekeeper, Cindy Fitch, Lisa Meadows, Lisa Mabry, Darlene Williams, Nancy Fairless, Rhonda Hayes, Joyce Falcinelli, manager.

Second row: Peggy Birmingham, coach, Sandra Lewis, Donna Cotton, Sherry Henry, Janice Terry, Theresa Hale, Janice Davis, Karen Trybone, trainer, Amy Stafford, statistician.

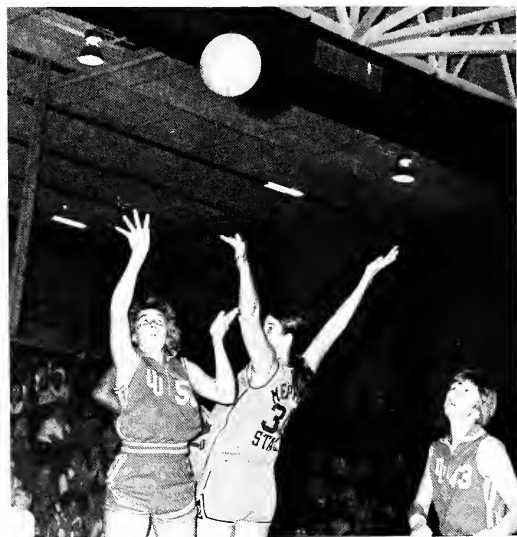

Each of the Lady Bulldogs saw some action, and each did a fine job as they defeated the University of North Alabama by a score of 98-40. The leading scorers were: Sherry Henry, 20 points; Theresa Hale, 18 points; and Janice Terry, 12 points.

Sandra Lewis was high scorer with 20 points as the Lady Bulldogs again defeated Jackson Auto Salvage on January 17. Janice Terry had 19 points in the 97-68 victory.

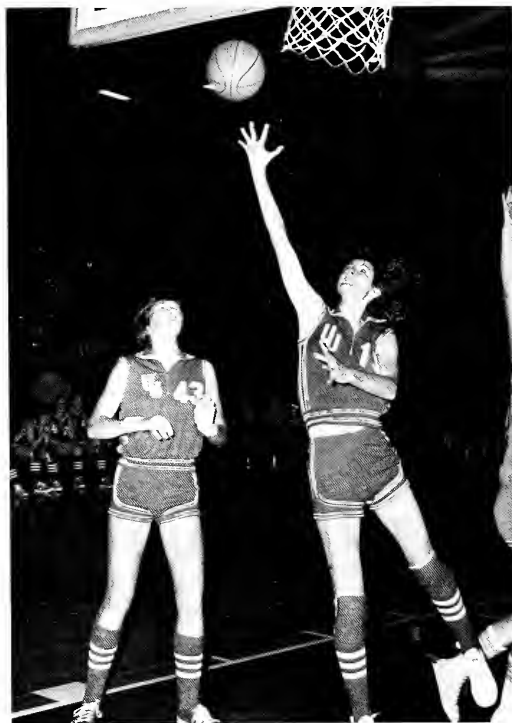

In the Lady Bulldogs' second game of the season they defeated Blue Mountain College of Mississippi by a score of 90-70. There were five of the scorers in double-figures: Nancy Fairless, 23 points; Theresa Hale, 20 points; Sherry Henry, 17 points; Donna Cotton, 15 points; and Sandra Lewis with 14 points.

Theresa Hale controls the tipoff.

The Winning Streak Keeps on Going

The Union girls defeated Murray State University of Kentucky, 68-45, on November 24. Sandra Lewis was high scorer with 17 points. Sherry Henry had 15 points and 17 rebounds.

On December 2, Theresa Hale and Sherry Henry led the attack as the Lady Bulldogs defeated Northwest Mississippi Junior College of Booneville by a score of 104-87. Hale had 26 points and 11 rebounds while Henry had 25 points and 17 rebounds.

On to the Nationals

The Lady Bulldogs closed out their regular season with a record of 18-1. Their only loss occurred in the Homecoming game against MTSU, whom they had previously defeated.

The Union squad traveled to Maryville, Tn. for the Small College State Tournaments, March 3-6. This was a modified double-elimination tournament. The Lady Bulldogs won their first game against Tennessee Wesleyan. The second game, against Caron-Newman, was one in which the Union girls played outstanding defense and again came out the winners, thereby advancing to the championship game.

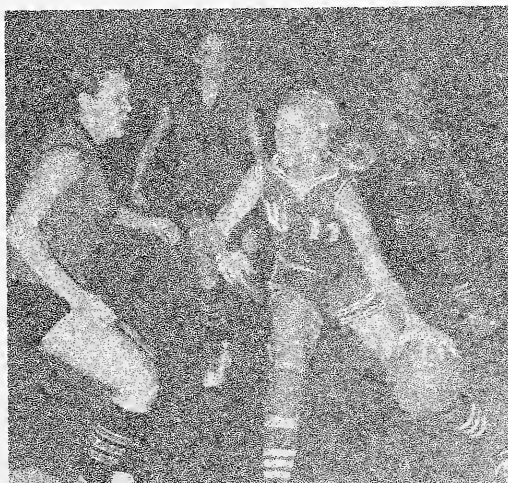

In the final game, against the University of Tennessee at Chattanooga, Union used the fast break and driving to get their opponent in foul trouble. Through winning this game Union became State Champions. Both Union and UTC earned the right to represent Tennessee in the Regional tournaments.

A single-elimination tournament, the Regional competition featured eight teams representing five states. In their first game the Lady Bulldogs faced Kentucky State University from Frankfurt. Union was victorious by a score of 101-59.

In the second game, against Clemson, the state champs of South Carolina, both Theresa Hale and Janice Terry did an outstanding job. Theresa Hale had 26 points, shooting an excellent percentage. Janice Terry showed great leadership and determination as she scored 22 points and dominated the boards with 21 rebounds.

Union faced Francis-Marion of Florence, S. C. in the championship game. The Lady Bulldogs had complete control throughout the game. They played excellent offense and defense, winning the game by a score of 90-71.

By winning this game, Union earned the title of Regional Champions. They then advanced to the National Tournaments held March 23-27 at Ashland, Ohio.

Donna Cotton

Donna Cotton, a 5'11" lefthander, played the guard position.

Janice Davis

Janice Davis, 5'3", a superb ball-handler, was the only senior on the team.

Nancy Fairless

Nancy Fairless, 5'2" guard, was considered the playmaker of the team. She also served as co-captain.

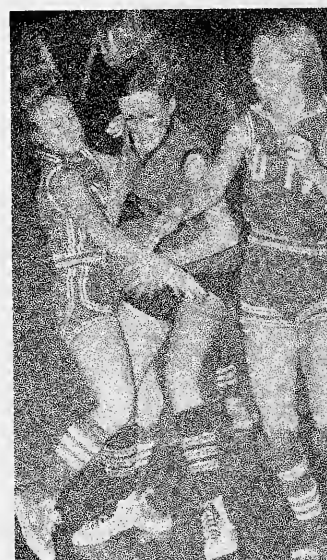

Cindy Fitch

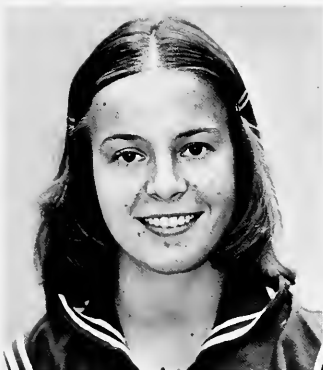

Cindy Fitch, 5'2", showed much speed and aggression on the floor.

Theresa Hale

Theresa Hale, 5'8", was highly depended on for scoring and rebounding. She was selected for the 1975 All-State and All-District teams.

Rhonda Hayas

Rhonda Hayas, 5', was counted on for her accurate, long range shooting.

Sherry Henry, 6'1" center, was selected for the 1975 All-State and All-District teams. She was also selected as Most Valuable Player in the state. She was a very consistent scorer and rebounder and also served as co-captain.

Sherry Henry

Sandra Lewis

Sandra Lewis, 5'6" guard, was a very important asset both offensively and defensively. She moved the ball well.

Lisa Meadows, 5'4", often threatend zone defenses with her long shots.

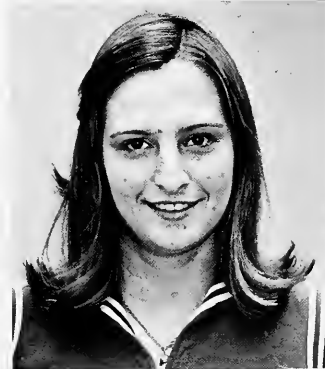

Lisa Meadows

Janice Terry

Janice Terry, 6'3" center, was counted on for both offensive and defensive rebounding. She was also very helpful in the area of scoring.

Darlana Williams, 5'7", was greatly depended on in the defensive areas.

'1976 Tennis Team is More Experienced'

The tennis team participated in fifteen matches during the year. Coach Peggy Birmingham said about the team at the beginning of the season, "This year promises hopefully to be a very good season, with five of the top six players having at least one year of college experience; the first five positions having a total of twelve years of college experience."

The team played teams like UT Martin, Belmont, Southwestern, and others.

Golf Team Has Best Potential in Ten Years

Union's golf team competed in five matches during the year and also participated in a tournament which had representatives from many of the colleges in Tennessee.

Coach Don Morris said about the team, "Although the team is very young and inexperienced, they are capable of producing the best showing for Union in the last ten years of play."

Golf team: Mike Smith, Karl Jones, Ronnie Switzer, Jim Purtle, Tommy Kobeck, Randy McClain

Competition and Physical Activities Between Students

Intramurals play quite an important part in college life. They give a time for different groups to engage in competitive activities. Some win, but win or lose, they are all willing to participate.

Horseshoes became another intramural sport this year.

Intramural football—a highlight of the fall semester.

Competitions Is Keen

Fall semester featured several intramural activities. The men's horseshoe tournament winner was the Faculty, while ZTA took the ladies' championship. ZTA also won the ladies' volleyball competition. BSU won the men's soccer and free-throw competition.

Chi Omega won the ladies' cross-country, while the BSU was winner in the men's division.

Shuffle board became a favorite during the Winter Term.

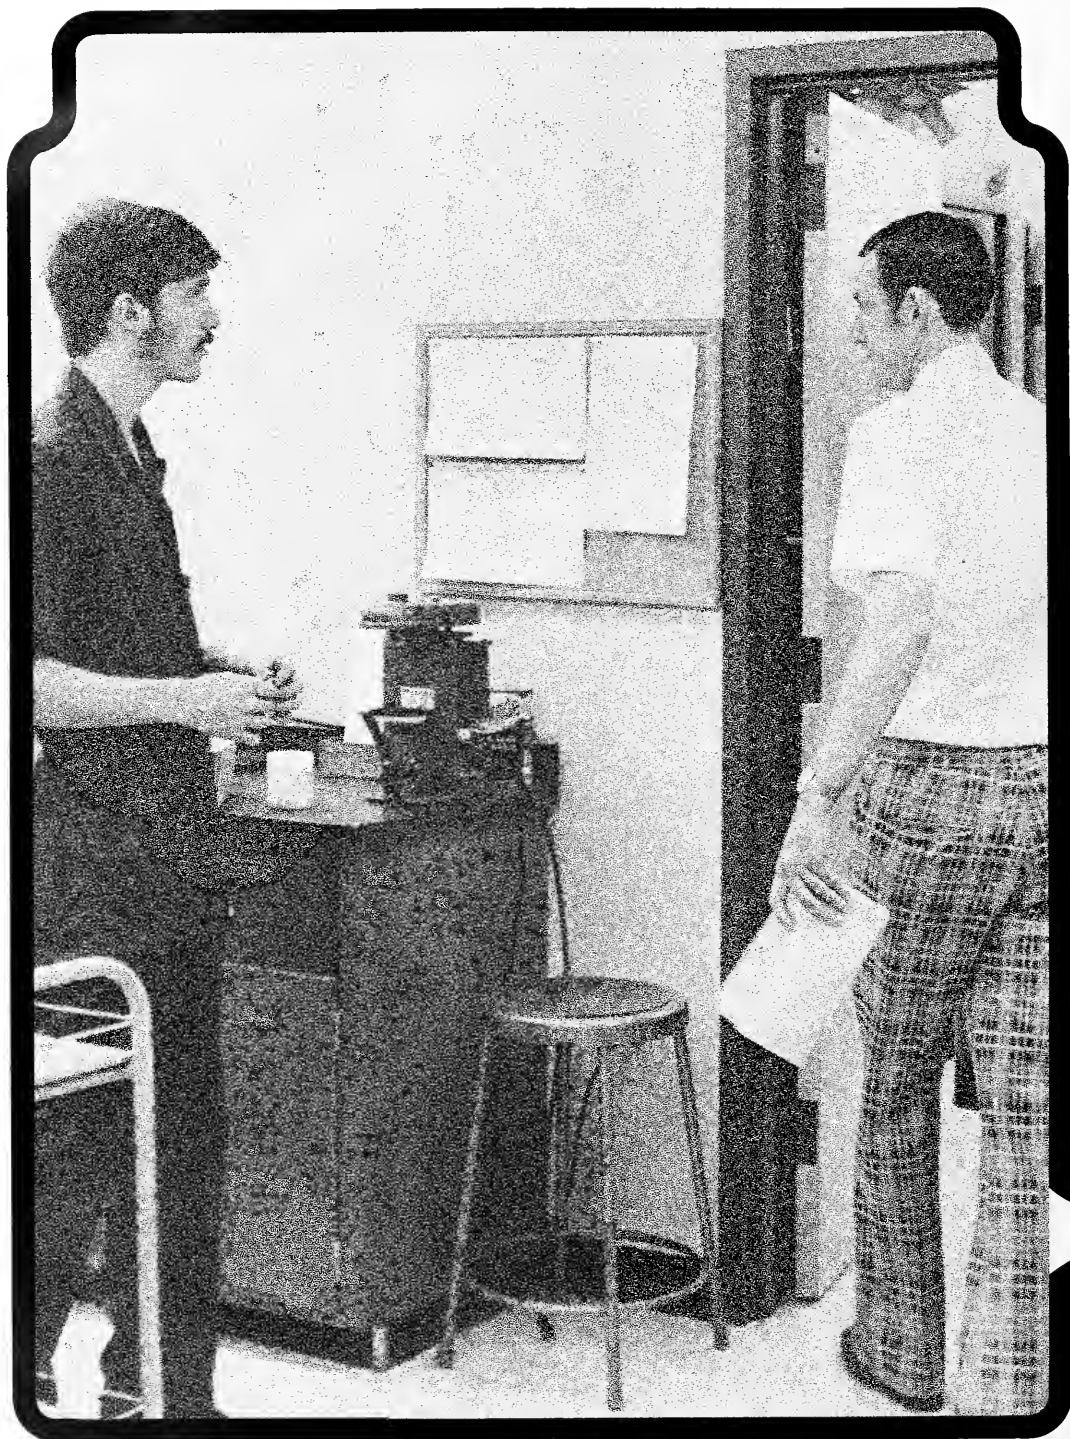

Women also competed in shuffle board.

Intramural table tennis—a sport for all.

Academics

President

The relationship between the President's office and the students of Union University is one of mutual dependence and cooperation.

Dr. Craig's work is directly affected by the quality of student life and activities on the campus. He strives to assist the students by securing the best personnel possible, by providing a sound fiscal program, and by maintaining a stable and progressive management of the total college.

The efforts of Dr. Craig's office in the new campus plans have been completed as the new campus opened in the fall of 1975, starting a new era for Union.

Library

Books, records, "hardware" and "software" are all parts of the library now as the approaches of electronic learning like microfilm readers, cassettes, slides, film strips, projectors, and Language Lab tape players bring so much of the world's knowledge to the students' fingertips.

This year brought new and somewhat longer hours for the Library. New hours included Saturdays and Wednesday nights.

Business Education

Business Education provides a program of basics in secretarial and office programming job learning. Skills in typing and shorthand are the backbone of many of the middle and top management positions opening every day to women in business.

Chemistry

The Chemistry department aims are to help the student understand the material world around him and how it affects the ever-changing processes of life, attain skill in scientific methods of problem solving, achieve laboratory skill for work in chemistry, and develop an inquiring mind and a proper attitude toward scientific exploration.

Dr. Charles M. Baldwin
Associate Professor,
Chemistry

Student teachers are Charles Finley, DeNise Parks, Barbara Young, Regina Campbell, Lois Ann Morton, and Chris Ward.

Education

Students planning to teach on the Elementary or Secondary level can obtain a better understanding of human relations and individual adjustment by taking courses in the Education Department. It is the design of this department to provide knowledge in this field essential for an area of concentrated study and for further advanced work, and to furnish the professional education necessary for prospective teachers.

English and Journalism

This year brought a new major in the English department; for the first time students were able to earn a composite major in English and Journalism.

Students were also offered the opportunity to travel abroad during the winter term and receive college credit. A group of students spent 28 days in London, England studying a variety of subjects, including Literature, under Dr. Ernest Pinson.

History

Including Political Science, the department of History offers courses which are designed to meet both cultural and professional objectives. They attempt to give the student a discriminating knowledge of the past by encouraging an understanding of other times according to the standards of those times and by evaluating institutions and movements in the light of their effects upon later developments.

This year Dr. Edmonson, chairman of the department, took several students to Washington, D.C. for a first-hand look at the working of our national government. Another member of the department, Stan Ekzut, served as a tour leader for a winter term tour of England.

Language

The Language Department has as its goal a student's proficiency in at least one foreign language.

Its purpose is to provide instruction in reading, writing, understanding, and speaking through oral-aural-visual techniques and methods.

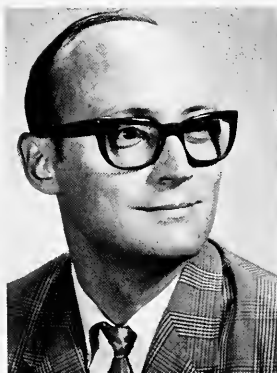

Faculty and staff members help bring in the new computer.

Mathematics

The curriculum of the Mathematics Department offers a basic foundation for graduate study and provides for entry into careers that relate to mathematics.

In addition to the regular mathematics courses, courses in computer science, programming and data processing were offered. This came with the purchase of a Hewlett-Packard 2000 access system this past year.

Assistant Professor, Psychology

Religion and Philosophy

As a basic aim, the Department of Religion and Philosophy hopes to make the students aware of the meaning of life through study. Some of this study happened when a group of students, along with Dr. Tilley, went on a tour of the Holy Lands in early spring.

An understanding of the basic tenets of the Bible is part of the course study. Comparison and evaluation of the world's various philosophers is a part of the curriculum also.

The Sociology Club sponsored by the department held several events during the year, including lectures and field trips.

Sociology

The courses in Sociology are designed for the students who desire pre-professional training in different fields of social work or other related fields of human relations. They are also for those who seek to understand the underlying principles in human relations.

Human relationships in various areas of social life are presented in a practical and scientific analysis in the courses of the Sociology Department. This approach will help the student learn more about the people around him.

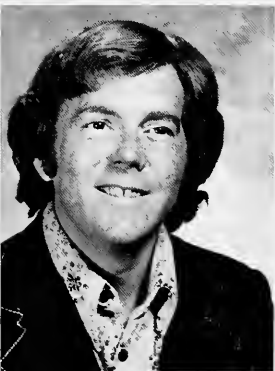

The department sponsored two films during the year, **I Love You, Goodbye**, dealing with women's rights, and **In Cold Blood**. Both films were open to the entire campus community, not just sociology students.

Speech and Theatre

Public speaking and drama are two facets of the Speech Department under the direction of James André. The opening production of the Union University Theatre, **Blithe Spirit** was a great success with several performances sold out. The new theatre's versatility was apparent as a sense of intimacy was created between the actors and the audience.

The other major play of the year was **Death Takes a Holiday**.

Admissions

High school and junior college students from Tennessee and surrounding states are personally contacted by Union's four Admissions Counselors. Guided by Dr. Milburn Blanton, Director of Admissions, the program has had good success. Students are from different states and several countries.

Honors Program Provides Enrichment

Last fall Union implemented a new **Honors Program** with Dr. Patricia Pinson as the director. The primary goals of the **Honors Program** are to provide the superior student with intellectual opportunities beyond the scope of the average classroom. With enriched classes, direct and personal contact with top faculty members, greater curriculum flexibility, the Honors Student is given the opportunity to strike out on his own in intellectual pursuits.

Some students criticize each other's papers as Dr. Pinson watches.

As the last few pages are being completed and mailed, it is with little regret that the **1976 Lest We Forget** is being finished. During this year, I have learned a great deal about journalism and working with people.

In this year's book, we have tried to paint a different picture than has been painted in the past. Every school has different happenings during the year that need to be covered and Union has had its share, but things happen outside the school that many people do not (or try not) to think about. We have added in this book a few pages on Issues and the Bicentennial. This is mostly to let people in the school know that there is a world out there beyond Union.

We all hope that many of the students will feel that this is one of the best books in the history of Union. Many long hard hours were spent on making this yearbook, and now it is your yearbook to do with it as you feel.

Let's hope that it stores some memories!

Joe D. French
